Forest School Project

Saturday, 6th July 9am – 5pm

We will need some practical help on Saturday to help build low tree houses, a log store, put up nets and a rope swing among other things. We are therefore calling all parents, grandparents, uncles, aunts etc who feel they might be able to spare a few hours to help build.

Any time you can spare would be most welcome. Meet at the Forest School site and please make sure you wear sturdy boots.

Grow a Runner Bean

As part of the 90th celebrations of the **Holbeton Garden Society** we thought it would be fun for the children of the school to join in the celebration with a runner bean growing competition

Hello Bean Growers,

I hope your beans are reaching towards the sky. Did you notice the shoots going up and the roots going down? My bean was at a strange angle but still the roots went down and the shoots went up! Can you think why that is?

Any way if you have been watering your bean all should be well. If you have not done so already take out the kitchen roll or cotton wool and plant your beans carefully in soil. You may have to support your beans with a stick. They should happily cling to this support.

The Holbeton show is on Saturday 3rd August. If you are unable to drop off your bean, either the evening before or on the morning of the show and you wish it to be measured and be part of the 90th celebration please bring into school during the last week of term. **Don't forget to add a name label.** Mrs Tarrant will collect and they will be looked after and bought to the Holbeton flower show on **Saturday 3rd August**, in the village Hall, to be admired and to see which is the tallest. They will be returned to you at the beginning of the next term unless you collect at the show. Happy Growing!
