Holbeton School Association

A.G.M.

**Friday, 4th October
3.30pm**

Everyone is welcome and encouraged to attend the AGM of Holbeton School. The HSA raises funds throughout the year which provide School with some wonderful extra facilities and which enable all the children right throughout the School to enjoy some exciting activities during the year.

The initial part of the AGM will focus on presentations of short reports on the last years' activities and the finances, then we will move on to confirming the committee for the next year - if you are at all interested in joining the Committee then please let me know. We already know that our wonderful Treasurer, Sue Price, is standing down after many years in the role and we are definitely looking for someone keen to take on this role. I am sure Sue will provide an excellent handover!

We would also like to spend some time after the more formalised part of the meeting, discussing our fundraising plans for the year. We do already have some exciting events scheduled but are open to any other ideas people may have so we can try to ensure there is something for all in the calendar. If you have any ideas of potential fundraising/social events or would like to get more involved in the HSA then please do come along on 4th October. Out of School Club will lay on some activities to keep the children occupied and safe whilst the meeting takes place which we hope will enable more people to attend. There will also be tea and cake for those attending the AGM!
