

What's On

05/03/2020

Edition 28

Sports Relief

Friday, 13th March 2020

It is Sports Relief next Friday so we would love for all the children to come to school dressed in their sports clothing/kit (football, taekwondo, horse riding etc.). A suggested donation of £1. We will be setting the children a Speed Jump challenge at lunchtime and the winner will receive a £5 Amazon voucher.

C.P.R. Training

Friday, 24th April 2020 2.15pm

The Ambulance Service will be providing C.P.R. training for the village, family and friends. It will be held at the Village Hall. All are welcome to come along and learn this valuable skill.

Keeping our Children Safe

We had an incident last Friday where a child was nearly hit by a vehicle at the school gate.

For the safety and well-being of all our children can parents please be reminded that cars should NOT park on the zig-zag lines in front of the school and certainly not directly outside the school gate.

Thank you for your cooperation

Nursery

Could we remind our Nursery parents to include a full set of spare clothes in their child's bag. If your child is in nappies please could you also supply at least 2 nappies and a packet of wet-wipes too.

Happy Hamper

Our second draw will be tomorrow. Tickets will be 25p each and can be purchased from the school Office.

Out of School Club A.G.M

•••

*Friday, 13th March 2020
3.30pm*

The Out of School Club AGM is being held on Friday next week at School. There will be free childcare available for those who wish to attend the meeting.

ILC Tournament – Year 3 & 4

We are still looking for volunteers to help take the children to ICC on the 10th and 17th March after school for the ILC Tournaments. If you are able to help, please contact Mrs Nash in the Office.

13/03/2020		Weight & Measurement Programme	Reception & Y6
13/03/2020		Sports Relief	All

Advice on the coronavirus for places of education

How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

After breaks & sport activities

Before cooking & eating

SCHOOL ETC.
On arrival at any childcare or educational setting

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit **NHS.UK** to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Wuhan and Hubei Province in China should self isolate, and NOT attend education or work for 14 days. See **NHS.UK** for advice on coronavirus.

If there is an emergency, call 999 immediately

How to Handwash?

WASH HANDS WHEN VISIBLY SOILED! OTHERWISE, USE HANDRUB

 Duration of the entire procedure: 40-60 seconds

Wet hands with water;

Apply enough soap to cover all hand surfaces;

Rub hands palm to palm;

Right palm over left dorsum with interlaced fingers and vice versa;

Palm to palm with fingers interlaced;

Backs of fingers to opposing palms with fingers interlocked;

Rotational rubbing of left thumb clasped in right palm and vice versa;

Rotational rubbing, backwards and forwards with clasped fingers of right hand in left palm and vice versa;

Rinse hands with water;

Dry hands thoroughly with a single use towel;

Use towel to turn off faucet;

Your hands are now safe.
