IMPORTANT

From tomorrow morning, all children will be asked to come into the school building to wash their hands as soon as they arrive and then go to their respective classrooms. The school is being thoroughly cleaned every evening, so staff will be supervising this new procedure in the morning.

Foundation Unit children are to also enter the school building via the main entrance rather than their classroom door.

Can we ask that all parents remain in the playground. Thank you for your co-operation.

All visitors will be asked to wash their hands on arrival.

Open Garden

Dear Friends,

John and Lily are opening the gardens at Mothecombe from 11am - 4pm on Sunday 29th March and 19th April to raise money for community organisations in Holbeton including the school and preschool. The money will be pooled and divided up. There will also be one on 3rd May for the National Gardens Scheme (mainly Macmillan Nurses) and 14 June for the Children's Hospice South West if these are causes you would like to support.

We would greatly appreciate offers of cakes and help with teas on those days. Please email me if you can help with either cakes or teas and I will do a rota when I have numbers. If you haven't been involved before, don't be put off, it's quite enjoyable and there's hardly any washing up as we use paper plates & cups.

Thank you so much for your support
