

The Big Sing!

We are organising a whole-school singing project!

The song we have chosen is 'Happy' by Pharrell Williams

We thought it would be the perfect song to make people smile and remind us to be thankful for the good things that we have!

What do you need to do?

- 1) Download the music and lyrics from our website.
- 2) Film yourselves singing/dancing/waving/holding up an uplifting message for those watching. Families are welcome to join in and fancy dress is encouraged!
- 3) Email the clip to the school by Monday 4th May.
- 4) Wait for the big release of our school video!

The video we make will be shared on our school website and Facebook page through YouTube. By sending us your video, you are agreeing to this use. (Acceptable Use Policy Agreement)
