July 2020

Dear Parents

My first letter reaches you in these continued unusual times. My aim is to provide you with a wealth of information about how the school will operate in September. We have put together a pack for your information. In this pack, you will be notified about opening times, drop off points, class bubbles and other important issues. There is a 'fridge sheet' which contains the essentials which you might want to put on your fridge to help remind you. There is also a letter for your children; please read this to them so that they also understand what is happening in September.

We will operate school as close to normal as we are currently allowed. Their learning will continue in the same fashion as before and the class timetable will also continue in the same way. We are also delighted to say that Out of Hours club will be able to operate again; a further letter will follow from the committee with more details.

May I also take this opportunity to wish you well over the summer break. Enjoy what our region has to offer, take rest and relaxation and look forward to another fantastic year at Holbeton.

Yours sincerely

Mr C. Rickard  
Headteacher

A partner school in the Westcountry Schools Trust (WeST)
