

Free 11+ preparation and KS2 learning support

Dear Parent / Guardian,

We're pleased to let you know that Holbeton Primary School has partnered with [Atom Learning](#), the leading 11+ preparation and Key Stage 2 learning website, to provide free KS2 learning and 11+ support to primary school children who are eligible for Pupil Premium. **Eligible students will receive access to Atom Home for free (normally £575.90 a year).**

There is a free trial of Atom and additional discount available for non-PP families. Atom Learning is a viable, more child-centric alternative to private tuition that we believe is a non-stressful and enjoyable way of making progress at KS2 and, when relevant, preparing for exams.

What is Atom Home?

Atom Home is an online learning and exam preparation platform for ages 7-11.

Covering English, maths, verbal reasoning and non-verbal reasoning, children can practise 11+ questions and explore learning resources, mock tests, video tutorials, and exam preparation materials.

How do I sign up?

Families eligible for pupil premium can access Atom Home for free by completing this form:

<https://atomlearning.com/pupil-premium/primary-schools>

Once completed, we will receive a notification to verify your pupil premium eligibility. Once confirmed, your Atom Home account will be created.

All other families wishing to use Atom can access a five-day free trial and 20% discount on your first month's subscription using this code:

Holbeton20

If you would like to find out more, please email pupilpremium@atomlearning.com.
